Organization/Mission

Organization

Established in 1978, the Eastern Iowa Regional Housing Authority (EIRHA) operates as a division of the East Central Intergovernmental Association (ECIA), which provides staff and administrative support to EIRHA.

EIRHA was organized pursuant to Chapter 28E, Code of Iowa, and was established and created as a regional Housing Authority for the following counties: Cedar, Clinton, Delaware, Dubuque, Jackson, Jones, and Scott (excluding the cities of Dubuque, Clinton, Camanche & Davenport, as they have their own Housing Authorities established).

Mission

The goal of EIRHA is to provide decent, safe, and affordable housing for eligible households; to provide opportunities and promote self-sufficiency; create economic independence; and provide home ownership opportunities for Housing Choice Voucher and Public Housing Program participants.

The information to the right depicts the Fiscal Year 2024 programs and funding sources, as well as the amount of operating income.

Section 8 Housing Choice Voucher (HCV)

EIRHA has an Annual Contributions Contract (ACC) with the Department of Housing and Urban Development (HUD) to serve 989 Section 8 HCV families, 1 Foster Youth to Independence Voucher, and 89 Mainstream Vouchers. Bringing the total HCV ACC to 1079. The PHA has a calendar year budget for Housing Assistance Payments (HAP) that cannot be exceeded.

The HCV program is designed to meet the needs of low-income families and elderly/disabled by providing rental assistance in their existing housing units. The participating family chooses a decent, safe, and sanitary rental unit. EIRHA makes monthly rental payments on behalf of the tenant to the landlord to assist the household with their rent. Participating households pay a minimum of 30% of their adjusted income or \$50.00, whichever is greater, toward rent and utilities. The rental unit must pass a Housing Quality Standard inspection and fall within HUD's Payment Standard Schedule. Households are allowed to select a housing unit anywhere in the seven county region served by EIRHA except for the cities of Dubuque, Clinton, Camanche and Davenport. After successfully fulfilling the program requirements, the Section 8 HCV can be made portable to allow a household to move anywhere in the United States.

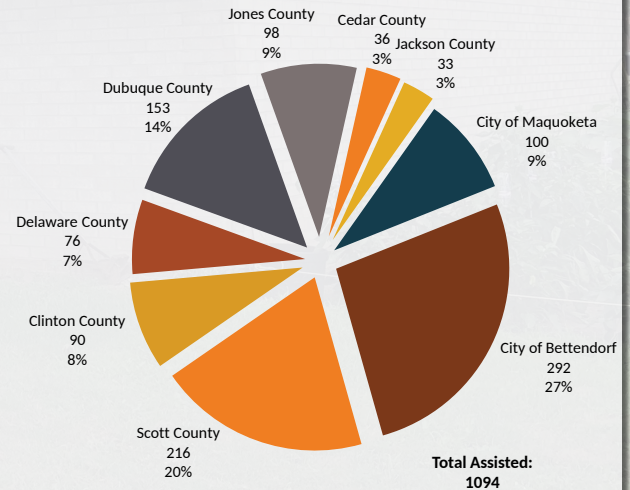

- In April, 2004, EIRHA assumed the City of Maquoketa's Annual Contributions Contract for 156 Section 8 Housing Choice Vouchers.
- In July, 2014, EIRHA assumed the transfer of 100 Section 8 Housing Choice Vouchers from the City of Bettendorf.
- In February 2020, EIRHA applied for and was awarded 30 Mainstream Vouchers to assist non-elderly persons with disabilities. An additional 9 Mainstream Vouchers were awarded under the CARES Act in March 2020. An additional 40 Mainstream Vouchers were awarded in November 2020. An additional 10 Mainstream Vouchers were awarded in September 2022. The program has a total of 89 mainstream vouchers.
- In October 2020, EIRHA applied for and was awarded 6 Foster Youth to Independence Vouchers to assist young people aging out of Foster Care who are at extreme risk of experiencing homelessness. Due to a lack of referrals from the Department of Human Services, this number was reduced to 1 in May, 2023.
- In October, 2022, EIRHA was awarded an additional 6 Housing Choice Vouchers, bringing the total to 989.

Over 1,094 households benefited from the rental assistance program during the Fiscal Year with a total of \$6,272,238 provided to landlords on behalf of elderly/disabled individuals and families with low income.

HCV Client Profile

To qualify for the Section 8 Housing Choice Voucher program, the family's income may not exceed 50% of the median income for their county, using income guidelines established by HUD. EIRHA staff serves as a liaison between the program participant and the landlord. In Fiscal Year '24, EIRHA's average monthly housing assistance payment sent to landlords was \$560.57, an increase from \$479.32 in FY '23.

Since 2002, EIRHA has had a waiting list for program services. At the end of Fiscal Year '24, 4,819 households were on the waiting list with an average wait of 18 months. Effective July 1, 2014 all applicants have been served in order by date and time of application with a preference implemented effective August 1, 2020 for Foster Youth participants that fulfill their maximum 3 years on FYI and a preference for Mainstream Voucher participants for non-elderly (age 18-61) persons by disabilities.

When the applicant reaches the top of the waiting list, they must meet the income guidelines and cannot have been convicted of drug related or violent criminal activity during the past three years.

Mainstream Voucher Client Profile

The Mainstream Voucher Program assists non-elderly persons with disabilities. The program provides a preference for non-elderly (age 18-61) persons with disabilities. An additional preference is given to the above population who are currently experiencing homelessness and/or have previously experienced homelessness and are a client in a permanent supportive housing or rapid rehousing project. The average monthly Housing Assistance Payment sent to landlords was \$462 with all of the 83 vouchers leased.

Foster Youth to Independence (FYI) Client Profile

The Foster Youth to Independence (FYI) program targets housing assistance to young people aging out of foster care and who are at extreme risk of experiencing homelessness. Under FYI, PHAs provide housing assistance on behalf of youth at least 18 years and not more than 24 years of age who left Foster Care, or will leave Foster Care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and are homeless or are at risk of becoming homeless at age 16 or older.

EIRHA currently has 1 Section 8 HCV to assist individuals aging out of foster care. There were no referrals made to the PHA by the Department of Human Services in FY '24.

"Home is a notion that only nations of the homeless fully appreciate and only the uprooted comprehend."
- Wallace Stegner

Public Housing Program

EIRHA currently owns and manages 163 Public Housing units located in Dyersville, Bellevue, Manchester, Colesburg, Miles, Sabula, DeWitt, Holy Cross, Hopkinton, Worthington, Delmar, Preston, Peosta, and Wheatland. Overall, a 98.52% occupancy level is maintained. There are 85 units of elderly/disabled and 78 units of family housing. The family housing is scattered-site, single family homes and duplexes. The senior/disabled developments range in size from 4-plexes to a 23 unit two-story building. Most of the developments have a waiting list.

For Fiscal Year '24, EIRHA Operating Budget was \$574,148 and Operating Subsidy was \$492,928. EIRHA uses rental receipts to manage and maintain the units. \$100,370 was paid for utility costs, \$511,990 for maintenance and operations, \$399,984 was paid for administrative and \$39,777 was paid for insurance expenses.

Although EIRHA is a tax exempt organization, approximately \$31,437 was paid to local governments for payments in lieu of taxes. The Public Housing program has an operating reserve of \$201,850. Reserve funds were used to upgrade the aging units and prepare them for the new HUD NSPIRE Inspection.

PH Client Profile

To qualify for the Public Housing program, a household's income cannot exceed 80% of the median income guidelines for their county. Residents pay a minimum of 30% of their adjusted income or \$50.00, whichever is greater, toward rent and utilities. Rental payments are made directly to EIRHA on the first of each month. The average annual income for Fiscal Year '24 was \$19,175.

Residents who are working or have a higher income have a choice of paying rent based on the 30% formula or a flat rent. Staff review the flat rents annually and present them to the EIRHA Board of Directors for final approval.

Based on statistical data, approximately 29% of the households admitted to the Public Housing program are considered extremely low income (at or below 30% of the area median income adjusted for family size).

Resident Advisory Board

The Resident Advisory Board (RAB) provides the PHA and the residents with a forum for sharing information about the Agency's Annual Plan. Section 511 of the United States Housing Act and the Regulations in 24 CFR part 903 require that PHAs establish one or more RAB(s) as part of the PHA Plan process. RAB membership is comprised of individuals who reflect and represent the residents assisted by the PHA. The role of the RAB is to assist the PHA in developing the PHA Plan and in making any significant amendment or modification to the Plan.

Capital Fund Program and Operating Subsidy

Capital Fund Program (CFP)

In recent years, major improvements to the Public Housing units have been necessary to ensure their long-term viability. EIRHA has been successful in receiving CFP dollars from HUD to finance these capital improvements. Funds are awarded on a formula basis to Housing Authorities to plan for their capital improvements over a five-year period.

EIRHA received a contract for \$345,545 for the 2023 CFP. The award was funded in Fiscal Year 2024 and included the following upgrades: flooring replacement, water heater, furnace, roof replacements, tub repair, door upgrades, concrete repair, and appliance replacement.

Capital Fund Housing Related Hazards Grant

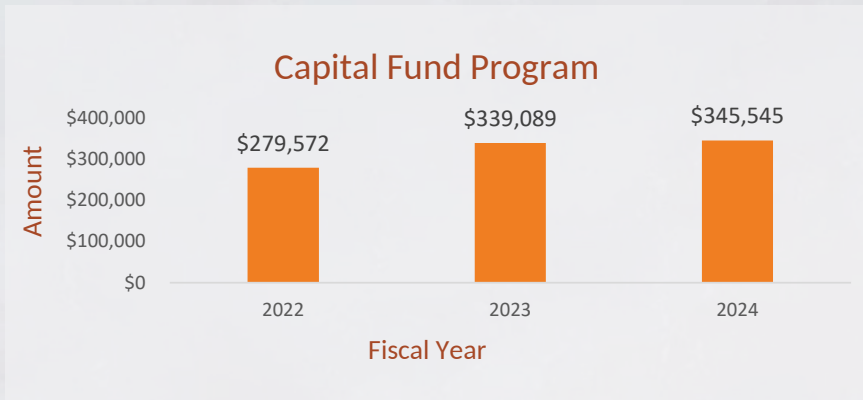

The Eastern Iowa Regional Housing Authority (EIRHA) was awarded \$377,800 in Housing Related Hazards Capital Fund Program Grant dollars to address housing related hazards in Public Housing units. Funds from this grant will evaluate and reduce residential health hazards in Public Housing including carbon monoxide, mold and radon. Areas affected by the project include Public Housing units located in Clinton, Delaware, Dubuque and Jackson Counties. Work to be completed include the conversion of gas stoves to electric, remediating mold and moisture issues and addressing radon concerns.

Operating Subsidy Funds

In November 2001, EIRHA began receiving Operating Subsidy Funds for the Public Housing program. The Operating Fund program was established under QHWRA, section 519. The operating fund provides subsidies to local Housing Authorities to assist in funding the operating and maintenance expenses of their properties. The subsidies are required to help maintain services and provide minimum operating reserves.

Lead Risk Hazards Grant

The U.S. Department of Housing and Urban Development (HUD) announced the Lead Risk Hazards award of \$300,000 to the Eastern Iowa Regional Housing Authority (EIRHA) to identify lead hazards in voucher assisted homes throughout the EIRHA's 7-county region. With the use of these funds, lead hazard inspections will be conducted by certified Lead Inspection Risk Assessors in eligible voucher assisted units. The EIRHA will also provide resource referrals to property owners for lead hazard controls in order to create safer environments for the clients it serves.

Family Self-Sufficiency

Family Self-Sufficiency (FSS) Program

Prior to 2014, the FSS program was administered as two separate programs – one for Section 8 Housing Choice Voucher participants and one for Public Housing participants. The Consolidated Appropriations Act of 2014 combined funding for both programs to allow a single program to serve families from both programs, thus increasing the number of Public Housing Authorities that could qualify for a Coordinator. For calendar year 2022, EIRHA was awarded \$336,122 to support funding for three coordinators that are now all rolled into one program. At Fiscal Year-end, EIRHA was serving the following number of families:

Section 8 HCV: 118 households with an average escrow account of \$4,719 and 171 successful completions.

Public Housing: 51 households with an average escrow account of \$3,859 and 70 successful completions.

In the FSS program, the Coordinators work with a network of service providers and task force groups in the region to obtain the needed services to assist program participants reach economic self-sufficiency. Services offered include motivational training, career counseling, employment skills training, budgeting/financial aid, household management counseling and personal development counseling. The program is designed to promote employment and offer an opportunity to save money amongst participants.

Participants of FSS can earn a savings account through increases in their earned income. This savings account is referred to as an escrow account. As a household's income increases their earnings through employment, an amount equal to 30% of that increase is deposited into an escrow account. The account earns interest and is returned to the participant upon successful completion of their FSS contract.

Section 8 HCV FSS Success Stories

"From the start to end this program has been incredible for my child and I. We moved to Asbury, IA in 2014 with no family or friends nearby. I was scared at first because it was just us. But Section 8 FSS staff assured me that everything will be just fine. I took this journey with hopes and dreams that I wouldn't let my son down. Section 8 FSS staff supported me in every way possible, from great guidance, to long conversations on the phone.

They made sure I set goals and achieved them! The fact that I was able to save money in an account that wasn't taking from my actual pay checks was huge for me. I can now do fun activities and outings with my child without worrying how I will replace it to make sure bills are paid on time. I truly appreciate every second, minute and hour Section 8 FSS staff took out of their day, it really meant a lot. I see so much growth from the time I started to now. Thanks so much for not giving up on me."

- S8 HCV FSS Program Participant

"This program's assistance has helped me become self sufficient by helping me set goals in reaching them for me and my family. I've received a lot of help from the program in the fact that I am getting support on reaching my goals of trying to improve our lifestyle."

- S8 HCV FSS Program Participant

"Over the last 4 years, the FSS Program and Housing Assistance has helped shape me into the woman I am today by building character, helping me manage money, pay bills on time, and building a savings. I truly believe it's a helpful program for young parents, and a huge opportunity to move up in life.

Whenever I needed help, Section 8 FSS staff were always there to support me. The program provided a safe and comfortable space for my children and I. It has also helped me improve my credit and gain the stability needed to provide for my three children."

- 8 HCV FSS Program Participant

Public Housing FSS Success Stories

"When I first moved here, I didn't know anything about the FSS program. A case manager came to my house, spoke with me about it, and I took a chance. I set a goal to improve my credit and one day own a house of my own. Over time I was able to improve my credit and learn more about home ownership.

Over time, I began to see progress. I obtained a job that paid more and allowed me to work from home so I could provide care for my children. My money management skills have improved immensely and I've learned how to budget properly and save.

I am proud to say that I'm self-sufficient and thriving. My family is doing well, and we are building a brighter future. All thanks to the FSS program that gave me that initial push to start achieving my goals."

Elderly Self-Sufficiency

Elderly Self-Sufficiency (ESS) Program

Since September 2011, EIRHA has received the Resident Opportunity and Self-Sufficiency (ROSS) Service Coordinator Program grant, funding. The current grant in the amount of \$246,000 provides services to its elderly and/or disabled Public Housing residents.

The purpose of the grant is to allow for the provision of a Service Coordinator to coordinate supportive services and other activities designed to help Public and Indian Housing elderly and/or disabled residents to age-in-place. The Service Coordinator ensures that these program participants are linked to the supportive services they need to achieve self-sufficiency or remain independent.

There are currently 61 participants with 106 successful completions.

ESS Success Story

ESS participants at DeWitt Senior Heights enjoyed their raised bed gardens thanks to an ongoing partnership with Iowa State University (ISU) Extension SNAP-Education Program and an award received from the Growing Together Mini-Grants program. Representatives from Clinton County Master Gardeners coordinated the project along with a group of residents at the site. The grant award funded the purchase of the raised beds, including a wheel chair accessible bed, dirt fill, seeds, supplies and a produce cleaning station.

In May 2024, the group built, filled, and planted the raised beds. Master Gardeners provided ongoing support through monthly meetings with residents that provide gardening education. As a result of the efforts, ISU was notified in late June that another raised bed could be added to the project. Support will continue throughout the growing and harvest season to provide food cleaning, safety and storage education.

Home Ownership

Public Housing Home Ownership Program

Through EIRHA's Public Housing Home Ownership Program, first-time home buying low-income households are given the opportunity to purchase their Public Housing units. Of the 163 Public Housing units, 26 are single family scattered-site units located in Dyersville, Manchester, DeWitt, Hopkinton, Preston, Worthington, and Delmar. At the present time, six families have purchased the Public Housing units that they reside in. The following units were sold through the Public Housing Homeownership Program:

528 16th Ave., Dyersville - 3 BR SFH - Sold 3/06
420 S. Tama St., Manchester - 4 BR SFH - Sold 11/05
521 3rd St. NW, Dyersville - 4 BR SFH - Sold 5/05
145 Nelson Circle, Manchester - 3 BR SFH - Sold 12/03
133 E. Honeycreek, Manchester - 3 BR SFH - Sold 10/03
624 2nd St. NW, Dyersville - 3 BR SFH - Sold 7/19

Housing Choice Voucher Home Ownership Program

Since July 1, 2003, EIRHA has implemented a Housing Choice Voucher Home Ownership Program. To date, 33 families have been assisted with the purchase of their own home through the HCV home ownership program. In accordance with the program regulations, monthly rental assistance can be used to assist a participating household with making their mortgage payments rather than paying a portion of their monthly rent.

Housing Development Projects

Manchester Single - Family Home Construction

Five lots were purchased on Marion Street in Manchester, Iowa to construct new single family homes. The homes were built and sold to qualifying homebuyers.

Asbury Single - Family Home Construction

Five single family lots were purchased on Trenton Street in the City of Asbury. All five of the homes were sold to qualifying homebuyers.

Lost Nation and Dyersville - Single-Family Home Rehab

Existing single family homes were purchased in Lost Nation and Dyersville. The Dyersville and Lost Nation homes were rehabbed and made available for sale to qualifying families. In FY 23 the Lost Nation home was sold and in FY 24, the Dyersville home was sold.

Pocket Neighborhood

In collaboration with the East Central Development Corporation, 10 single family homes were constructed and sold in FY 23 in the City of Maquoketa. The Pocket Neighborhood consists of 10 single family homes gathered around an open space of joined backyards to form a sense of community.

HUD Housing Counseling Grant

EIRHA received a grant for \$12,675 from HUD to support EIRHA's HUD approved housing counseling program to respond flexibly to the needs of residents and neighborhood, and deliver a wide variety of housing counseling services to homebuyers, homeowners, renters and the homeless.

Housing Counseling

On July 30, 2010, the U.S. Department of Housing and Urban Development approved the EIRHA as a Housing Counseling Agency. EIRHA has met the department's initial approval criteria and submitted an acceptable housing counseling plan to serve its target area (Dubuque, Delaware, Jackson, Cedar, Clinton, Jones and the city of Bettendorf (Scott) counties). The Department approved the EIRHA to provide money management, pre-purchase counseling, and home improvement and rehabilitation counseling in accordance with its counseling plans. To date, 394 families were assisted with Housing Counseling assistance, of which 134 have closed on a home. 24 applicants are currently actively participating and working towards homeownership.

Administrative Planning

Public Housing Agency (PHA) Plan

The PHA Plan is a comprehensive guide to Public Housing agency (PHA) policies, programs, operations, and strategies for meeting local housing needs and goals. There are two parts to the PHA Plan: the 5-Year Plan, which each PHA submits to HUD once every 5th PHA fiscal year, and the Annual Plan, which is submitted to HUD every year.

Public Housing Assessment System (PHAS)

The PHAS is the framework used by HUD's Real Estate Assessment Center (REAC) to evaluate PHASs. HUD first instituted the PHAS approach for evaluating PHAS's performance in 1997, as a part of its 2020 Management Reform Program. The approach includes the scoring of several categories of PHAS performance as follows:

- 1) Physical Condition Indicator (40 pts)
- 2) Financial Condition Indicator (25 pts)
- 3) Management Operations Indicator (includes: occupancy rate, tenant accounts receivable and payable) (25 pts)
- 4) Capital Fund Program Indicator (10 pts)

The data supplied by these subsystems is then compiled and computed, which results in PHAS scores that provide each PHA with a numeral scorecard assessment showing how well their PHA is performing.

Section 8 Management Assessment Program (SEMAP)

The SEMAP measures the performance of the Public Housing agencies (PHAs) that administer Housing Choice Voucher program in 14 key areas. SEMAP helps HUD target monitoring and assistance to PHA programs that need the most improvement.

National Standards for the Physical Inspection of Real Estate (NSPIRE)

The Department of Housing and Urban Development (HUD) moved from the Uniform Physical Condition Standard (UPCS) inspection protocol to the National Standards for Physical Inspection of Real Estate (NSPIRE) protocol in FY'24. As a result, the Public Housing units were inspected by HUD in April, 2024 and the PHA scored 94% on the physical condition indicator. While HUD has not released a 2023 score, the PHA completed the year with the following:

Physical Condition Indicator score = 94/100

The Financial Indicator score = 21.29/25

Management Operations Indicator = 25/25

Capital Fund Program Indicator = 10/10

Eastern Iowa Regional Housing Corporation (EIRHC) USDA Property

Eastern Iowa Regional Housing Corporation (EIRHC)

EIRHC was established in 1990 and organized as a not-for-profit under the provisions of Chapter 504A of the Iowa Code. Its purpose is to promote the general social welfare of eligible occupants of rental housing as determined by the United States Department of Agriculture, Iowa Finance Authority, and Iowa Department of Economic Development regulations, without regard to race, color, religion, creed, familial status or national origin; to acquire, construct, improve, and operate any real or personal property or interest or rights.

The Board of Directors is a mirror image of EIRHA's Board of Directors, with members representing the seven counties in the region. The Corporation is the same staff as EIRHA, which is staffed by ECIA.

Worthington West Ridge and Grand Mound Churchview USDA Units

EIRHC owns and manages ten USDA funded elderly housing units: six one-bedroom units located at 502 Williams Street in Grand Mound, Iowa and four one-bedroom units located at 317 2nd Ave., SW, in Worthington, Iowa, with an annual budget of approximately \$80,004. Services provided for the elderly tenants include counseling, referrals, and community activities. For FY '24, Worthington experienced 95.83% lease up and Grand Mound experienced 100% lease-up.

Eastern Iowa Regional Housing Corporation (EIRHC) Evergreen Meadows

EIRHC Evergreen Meadows 110 Peterson Dr., Peosta, IA (transfer of Tax Credit Property)

In March 2003, the Eastern Iowa Regional Housing Corporation (EIRHC) was awarded Low Income Housing Tax Credits (LIHTC) from the Iowa Finance Authority (IFA) and HOME funds from the Iowa Department of Economic Development to construct a 24-unit 2, 3, and 4 bedroom housing development for low to moderate income households at 110 Peterson Drive, Peosta, Iowa.

A new for-profit entity was formed as a subsidiary of EIRHC, the Eastern Iowa Regional Partnership, LLLP, to act as the General Partner in the housing project. A for-profit entity, the Eastern Iowa Development Corporation (formerly known as Evergreen Meadows, Inc.), was also developed and is a wholly owned subsidiary of the EIRHC. The open house for the development was conducted in May 2004 with its first tenant occupying the units in June 2004.

The Syndicators, Enterprise Housing Partners XI Limited Partnership (EHPXI), limited partner interest in the Eastern Iowa Regional Partnership LLLP was fulfilled on December 31, 2018 and transferred to the new General Partner, the Eastern Iowa Regional Housing Corporation.

On January 1, 2019, the Eastern Iowa Regional Partnership, LLLP transferred the Limited Partnership interest for debt only, of the Evergreen Meadows Tax Credit property to the Eastern Iowa Regional Housing Corporation (EIRHC). The EIRHC intends to maintain the property as affordable housing over the extended use period.

In conjunction with this, the EIRHC assumed the Iowa Finance Authority HOME loan for the property. This loan is scheduled to mature on 11/1/2025.

The EIRHC Evergreen Meadows property was converted to a June 30th fiscal year end and since taking over the property has maintained a 93.75% lease-up for FY '24.

E.I.R.H.C. Tenant Based Rental Assistance

Eastern Iowa Regional Housing Corporation Tenant-Based Rental Assistance

Tenant-Based Rental Assistance (TBRA) is a program that enables individual households to rent safe, sanitary housing units. Very low and low income households can receive assistance through a monthly rental assistance payment to a participating landlord (up to two years) and upfront security deposit assistance.

The EIRHC TBRA program is a response to filling the unmet need of families that are on the lengthy Eastern Iowa Regional Housing Authority (EIRHA) Section 8 HCV waiting list. The families are served by date and time from the Section 8 HCV waiting list with a preference given to those with a disability. The families remain on the list until funding becomes available for the Section 8 HCV program. At that point they are then transferred from the TBRA program to the Section 8 HCV program. There is no voucher portability option in the TBRA program.

The region served includes Cedar, Clinton, Delaware, Dubuque, Jackson, Jones and Scott Counties (excluding the cities of Clinton, Camanche, Dubuque and Davenport).

2014 TBRA

The April 2014 Tenant Based Rental Assistance (TBRA) two year grant for \$998,064 was closed out in February 2016 and served 114 families.

2015 TBRA

The September 2015 Tenant Based Rental Assistance (TBRA) two year grant for \$998,934 was closed out in July 2017 and served 71 families.

2017 TBRA

The October 2017 Tenant Based Rental Assistance (TBRA) one year grant for \$503,025 was closed out in June 2019 and served 79 families.

2019 TBRA

In March 2019, the EIRHC was awarded \$999,175 for a two year TBRA grant. In November 2020, IFA awarded an additional \$340,371 for a total award of \$1,339,546. The grant was closed out in February 2023 and served 64 families.

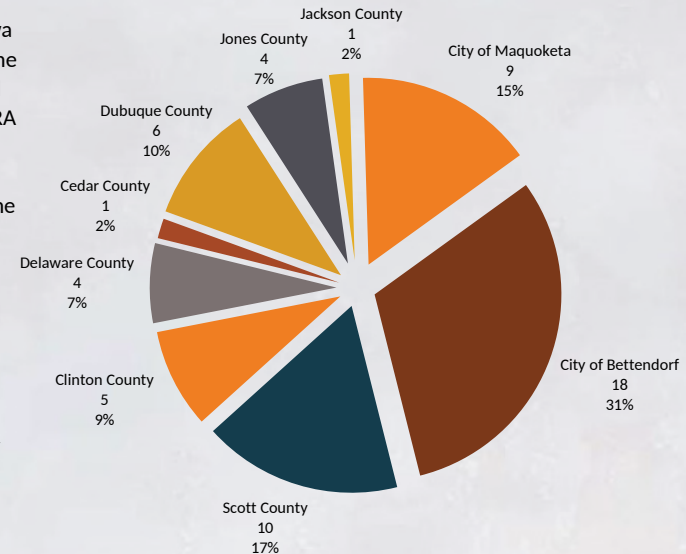

2021 TBRA

In November 2021, the EIRHC was awarded \$312,000 for a two year TBRA grant. These funds were closed out in June 2024 and served 58 families.

2022 TBRA

In July 2022, the EIRHC was awarded \$599,964 for a two year grant. These funds began expending in June 2024 after the closeout of the 2021 TBRA grant.

E.I.R.H.C. Housing Trust Fund

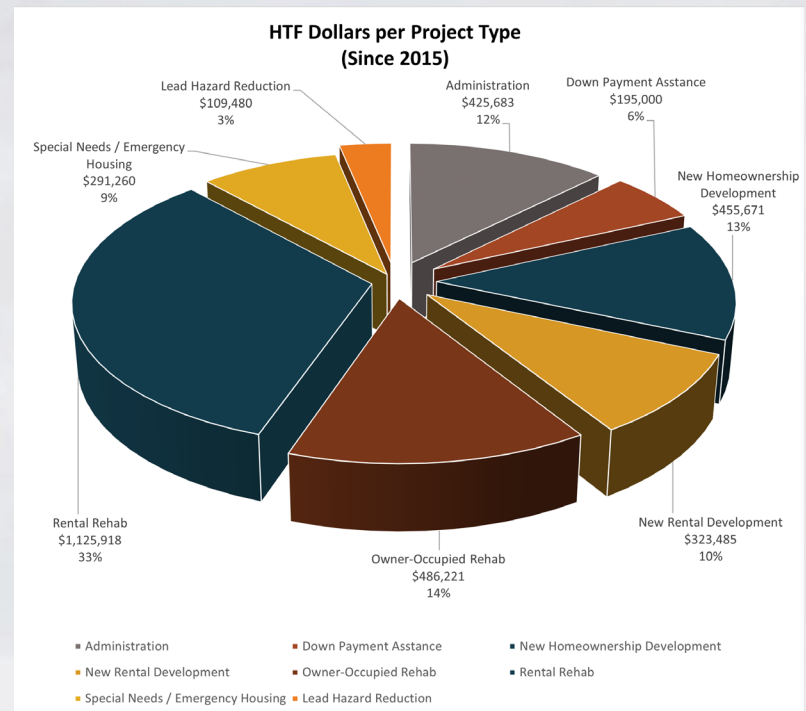

The State Housing Trust Fund (SHTF) was created by the Iowa Legislature in 2003; the State Housing Trust Fund helps ensure decent, safe and affordable housing for Iowans through two programs, the Local Housing Trust Fund Program and the Project Based Housing Program. The Local Housing Trust Fund Program which receives at least 60 percent of the SHTF allocation to provide grants for organizations certified by the Iowa Finance Authority as a Local Housing Trust Fund. The remaining funding goes to the Project-Based Housing Program, which aids in the development of affordable single-family and multifamily housing. The Iowa Finance Authority (IFA) administers both programs and provides technical assistance to housing-related organizations.

The Iowa Finance Authority certified The Eastern Iowa Regional Corporation Housing Trust Fund (EIRHC HTF) in 2014 to include the counties of Dubuque, Delaware, Jackson, Cedar and Clinton Counties, with the exception of the City of Dubuque, as they have their own program. The EIRHC HTF will assist individuals, community organizations, non-profit and for-profit developers, in the development and rehabilitation projects that improve the condition of both rental and owner-occupied affordable housing in the approved area.

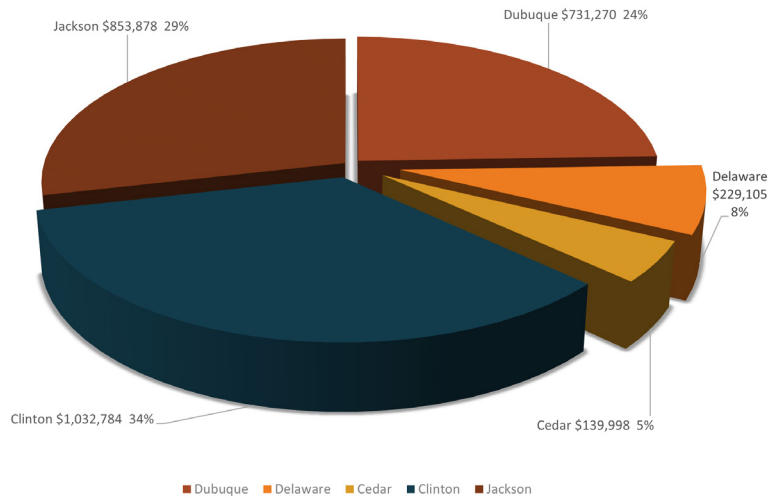

Projects and activities funded must serve area households with incomes less than 80% of the statewide median family income (MFI). At least 30% of the distributions will be used to benefit extremely low-income households (households with less than 30% of the statewide median family income).

Mission Statement

The mission of the EIRHC Housing Trust Fund is to assist in the provision of providing decent, safe and affordable housing, as well as providing access to the resources for creating housing opportunities to the families served in eastern Iowa. The emphasis is to provide economic assistance to benefit the moderate, very low, and extremely low-income residents of Dubuque, Delaware, Jackson, Cedar and Clinton Counties, for a variety of housing needs.

There are seven counties and 95 municipalities that are members of the EIRHA. Each county and/or municipal government within the Authority area are represented by two commissioners appointed by the city or county. The Board of Directors are elected from Authority commissioners. The Board of Directors is responsible for the business and fiscal affairs of the Authority and approves policies for the Housing Authority.
